Internship Summary:
<p>he Business Development Representative (BDR) Intern will help contribute to our continued growth by supporting our Sales Team. This is an excellent opportunity for an enthusiastic, highly motivated, college student to join an extremely successful sales team within a rapidly growing organization!</p> <p style="color: red;">For all Upward Mobility positions: Additionally, you may be required to participate in group project activities with other interns during work hours.</p>
Essential Responsibilities of the Role:
<ul style="list-style-type: none"> ● Report to the Revenue Operations Department (Rev Ops Associate, specifically)

- Support Sales & Marketing efforts including:
 - Blueprinting accounts to find appropriate contacts
 - Conducting online research to add companies to our prospect database
 - Researching hiring patterns for prospect companies
- Attend all sales department meetings and be exposed to the day-to-day for a Business Development Representative
- Other projects as assigned

Knowledge and skills required:

- Completed classes towards a bachelor's degree in Sales, communications, business or a related field
- Strong desire to gain hands-on sales experience including effective targeting, lead generation, and relationship development
- Superior communication and presentation skills
- High-energy, results-oriented personality with a positive attitude and approach
- Ability to quickly learn complex subjects and communicate them in a simple manner

What does success look like for the intern at the end of the summer:

Whether general or very specific, please describe intended outcomes and accomplishments, skills acquired, project deliverables etc. This is also an opportunity to outline other expectations of the student.

Training Program

Please describe any training provided to the intern through the internship period.

All Upward Mobility Interns will participate in group training for knowledge development in the Global Mobility industry. Training to occur over a series of virtual training sessions across intern program participants.
