

Physician Assistant Schools in Ohio

- CSU's Pre-PA major requires that students take the following prerequisite courses: *English Composition I&II* (ENG 101 & 102), *Intro to Psychology* (PSY 101), *Medical Terminology* (HSC 203), *Intro to Biology I&II* (BIO 200/201 & 202/203), *Anatomy and Physiology I&II* (BIO 266/267 & BIO 268/269), *Microbiology* (BIO 264/265), *General Chemistry I&II* (CHM 261/266 & 262/267), *Organic Chemistry I* (CHM 331/336).
- It is the student's responsibility to regularly check each school's website for updates on prerequisites, deadlines and specific information on application requirements.
- Common prerequisites beyond CSU's Pre-PA requirements: *Organic Chemistry II* (CHM 332/337), *Biochemistry* (BIO 306/307 or CHM 402/403), *Genetics* (BIO 310/311), *Lifespan Development* (PSY 223), *Abnormal Psychology* (PSY 345), *Physics* (PHY 221), *College Algebra/Precalc I* (MTH 167)

	Minimum GPA	Min Science/prereq Grade/GPA	Shadowing/Exp hours	Organic Chemistry II	Biochemistry	Genetics	Additional prerequisites beyond CSU Pre-PA requirements
Ashland University	3.0	3.0 science GPA	Preferred		Y		*9 credits of upper-level Bio or Chem (science) courses
Baldwin Wallace University	3.0	3.0 science GPA/ C or better in prereqs	*40 (waived)				
Case Western Reserve University	3.0	3.0 science GPA	*1000	Y	Y		*Experience can be paid or volunteer, but clinical hours earned toward a degree are n/a
Cedarville University	3.0	B- or higher in prereqs	750 paid or 1000/vol				*6 credits of PSY, can combine abnormal, or lifespan with general/intro PSY
Kettering College	N/A	3.0 in prereqs/ C or higher in prereqs	250-1000 rec	Y	Y		*General PSY and Developmental or Abnormal PSY
Lake Erie College	3.0	**B- or higher in prereqs	*** 250			Rec	*College Algebra & Statistics **Allowed a C- in Organic Chemistry ***24 of the 250 must be direct shadowing of a PA
Marietta College	N/A	3.0 prereq GPA/ C or higher in all prereqs	Rec				*Upper level PSY (ideally, developmental or abnormal) *Upper level human or mammalian biology
Mercy College	3.0	3.0 prereq GPA/ C or higher in all prereqs	Rec		Y	Y	
Mount St. Joseph	3.0	3.0 science GPA/ C- or higher in prereqs	500 (health care) ** 40 shadowing		Y		*Developmental PSY **Minimum of 40 hours of shadowing a physician assistant in a clinical setting
Ohio Dominican University	3.0	3.0 science/ C or higher in all prereqs	250 patient care		Y		*Additional PSY: Abnormal, Lifespan, or Developmental Rec *College Algebra or higher *Four Humanities courses (12 credits)
Ohio University**	3.0	3.0 math/science and a C or higher in prereqs	N/A		Y		*College Algebra or higher *Abnormal, Development, or Physiological PSY
University of Dayton	3.0	3.0 prereq GPA/ C or higher in all prereqs *(not a C-)	250 healthcare (20 must be shadow) 20 service	>	Y		*Second PSY (Lifespan or Abnormal) * C- grades in prereqs will not meet admission standards >Organic Chemistry II: is only required starting in the 2024/2025 admission cycle

**Ohio University begins in January of application cycle

University of Findlay	3.0	3.0 in all GPAs/* C or higher in all prereqs	N/A			Y	*General Physics I with Lab *Only two C grades permitted
University of Mount Union	3.0	3.0 prereq GPA & science GPA/ C or higher in all prereqs	*40			Y	* C- grades in prereqs will not be approved *Virtual hours are accepted
University of Toledo	3.4	3.4 science GPA/** C or higher in prereqs	N/A			Y	*Second PSY (Lifespan PSY is recommended) **Grades of B- or higher must be earned in Anatomy and Physiology *Applicants are strongly recommended to take the PA-CAT
Ursuline College	N/A 3.0 (rec)	C or better in prereqs is preferred but not required	N/A				*Introduction to Biological Diversity is required *Ursuline gives preference to applicants based on various criteria, visit their PA Admission page to learn more
